

Job Advert

At Sancroft Community Care Ltd, we take pride in providing exceptional care for older individuals. Our residential home, nestled in the heart of London, caters to 62 residents and specializes in supporting those living with dementia, physical disability and frailty.

Sancroft Community Care (SCC) commitment to high quality service has earned us the coveted 'good' rating by CQC. Also, for four consecutive years, **Care Home UK** has acknowledged us as one of the **top 20 care homes in London**.

We are currently seeking a dynamic and compassionate **Head of Care** to lead our dedicated award-winning team to drive our continuous improvement programme alongside the Social Care Director, Board of Directors and Home Manager and in collaboration with residents and their families.

The post holder will take on the leadership responsibility and become the CQC Nominated Individual. Working with the team to identify any concerns through robust quality assurance, annual surveys, incidents or accidents and reflective practice engagement within the home.

The Head of Care will take responsibility for giving expert hands on advice and support for all categories of service delivery. The post holder is expected to be heavily engaged with all stakeholders in the service areas and working with them to deliver excellent services.

The post holder will contribute significant contemporary best practice, strategic management and commercial expertise, to both strategic and operational activity and delivery.

The post holder will report into and closely support the Social Care Director and contribute to developing a highly knowledgeable, experienced, skilled and motivated team that is capable, competent, solution driven and has a 'Can do' attitude. The objective - to deliver a first-class service in the local borough of Harrow that our stakeholders talk positively about.

The post holder will be required to engage co-productively with all stakeholders across the whole organisation including directors, residents, relatives and with London Borough of Harrow representatives.
